Table with 6 columns: Car #, SERIES M.G., YEAR, COLOR, CHASSIS NUMBER, ENGINE NUMBER. Rows for Car #1 to Car #4.

The car and engine number must be completed with letters as well as numbers. These can be found on the 3" x 4" Maker's Plate fixed to the battery box, tool box, firewall. TD owners are cautioned to include the letters in the lower half of the Car No. rectangle: i.e. EXL, EXLU, EXL/NA, etc. Please include all letters and digits in the Engine Number. If the plate(s) is missing, the car (chassis) number is stamped on the left front chassis rail on all T-Types. The engine number is on a brass plate on the block. If you have a replacement engine fitted, please give the original number and the replacement. Please use additional sheets to document any history or modifications you would like to be part of the permanent record.
